

ACTIV'LIGHT™

**TIGER® BRAND SHD-GC
TRAILING CABLES**

**Higher Visibility
at Night Helps
Prevent Runovers**

**Lowers the
Mine's Overall
Trailing Cable
Expenses**

How does
ACTIV'LIGHT™
 save on your annual
 cable expenses?

ACTION	Standard SHD-GC COST	ACTIV'LIGHT SHD-GC COST
Cable Purchase Price	\$30,000	\$ 60,000
Average Repairs Per Year Due to Runovers	8	2
Average Cost of Downtime (\$25K/hour) to Replace Cable (Two hours per cable changeout)	\$400,000	\$100,000
Total Annual Cost of Ownership	\$430,000	\$160,000
ANNUAL ESTIMATED SAVINGS		\$270,000

NOTE: Downtime cost will vary based on operational conditions and type of material being mined. Includes estimated cost of labor, repair materials and lost production income. In its first US field trial, ACTIV'LIGHT operated six months without a runover incident.
